Comments from parents:

We love Broadfields and the amazing staffs, except there's a lunch lady which is rather too strict and rude to students during lunch time.

Quicker response from office when questions are asked.

Thank you Ms McCarthy and Team for all your Hard work and making learning so fun!

This school is very good

great school with lovely staff

We have noticed that the loss of assistant teachers has made a difference to the learning of our child in smaller groups which he benefited from.

Thank you for all the love, care and dedication; an amazing school where my children feel safe, happy and they show great progress in their learning!

Home work in year 3 is static, it's the same process each week. Perhaps just have the grid homework rather than all of it. It's quite a lot and some children struggle with being at school all day and then extra curricular activities and then having to complete homework.

highly recommended for primary children.

Thanks for everything. We are so pleased with the school staff .We would like them to do some special activities such as sports and teach music to our kids.

The teachers and staff are caring and very supportive of any issues or ideas. They keep us well informed about any situation that might impact our children. The SEND team is especially wonderful and has helped my son from getting his initial EHCP to his autism diagnosis and beyond. Everyone is approachable and helpful to answer questions or queries. I recommend Broadfields to any parent who asks. Thank you

We absolutely love and fully support the school's main objective of providing a foundation that balances between happiness and high achievement, we feel this commitment is crucial for providing a healthy growth for kids at such a young age.
